### News from: The Head's Office

We have had happy news from Miss Delf and we would like to welcome her new-born daughter Callie Octavia to our St Andrew's family.

They are both doing very well and we are looking forward to meeting little Callie very soon.

I am also very pleased to announce that Mrs Boyce (who is currently a teaching assistant in year 6) will be joining the Office team in January when Mrs Baines starts her well-deserved retirement! She will be greatly missed but we are pleased that she will be able to enjoy precious time with her husband and family as she begins her 'golden years'!

It has been lovely to show so many new families around the school during our Open Day this week.

The School Councillors did a brilliant job explaining the learning in their classes to our visitors and answering any questions.

Have a lovely weekend

The total for Children in Need was:

£372.78.

A huge thank you to everyone.

### News about: Year 3 Stone Age Day

Year 3 had a wonderful Stone Age Day on Wednesday. They came to school dressed as cave people and took part in activities such as weaving, den building and flint knapping. They made weapons with sticks and stones and beakers from clay. They even spent time as palaeontologists, excavating fossils (chocolate chips) from rocks (cookies)!

Many thanks to the parents and grandparents who gave up their time to help this day run smoothly.

Please remember to send an orange in by Wednesday.

The children will be making Christingles.

### News about: Our Fabulous Children

We are all very proud of Ruby, Olivia, Anna and Lottie who helped with door to door Poppy collections.  
Well done girls!

### News from: The Office

We seem to have a growing number of children without full PE kit in school. We have very limited storage space in the office so can only keep a small supply of spare kit. It would be really helpful if all children could keep their own kit in school and save them missing their PE Lessons.

Have your children's feet grown? We would be grateful for the donation of any good condition, spare trainers you may have at home.
