## News from: The Head's Office

There has been a wonderful 'book-buzz' in the school this week. Developing a love of reading is something that we all strive for each and every day at St Andrew's.

This week we have seen a significant increase in our 'Book Buzzing'!

The children thoroughly enjoyed sharing books with the children in the Infants, DEAR (drop everything and read) is a lovely calm time when all adults and children in school individually enjoy their books. It was lovely to see so many parents at our reading café this morning. Our visitors joined us and their children in reading both known and new books. It was very successful and enjoyed by all.

The work that the children have all produced based on the book 'The Day The Crayons Quit' will be displayed in school shortly.

Many thanks to Mrs O'Connor (Our English lead) who has worked so hard organising this very successful week.

World Book Day based on the book 'The Day the Crayons Quit' by Drew Daywalt.

These are this weeks Spelling Shed super stars.
