

# Hatfield Peverel St Andrew's Junior School

NEWSLETTER LOCKDOWN EDITION

26th June 2020

Dear Parents and Children,

What a very hot week it has been! There have been many times when I have imagined lots of you enjoying time in your gardens and having fun in paddling pools!

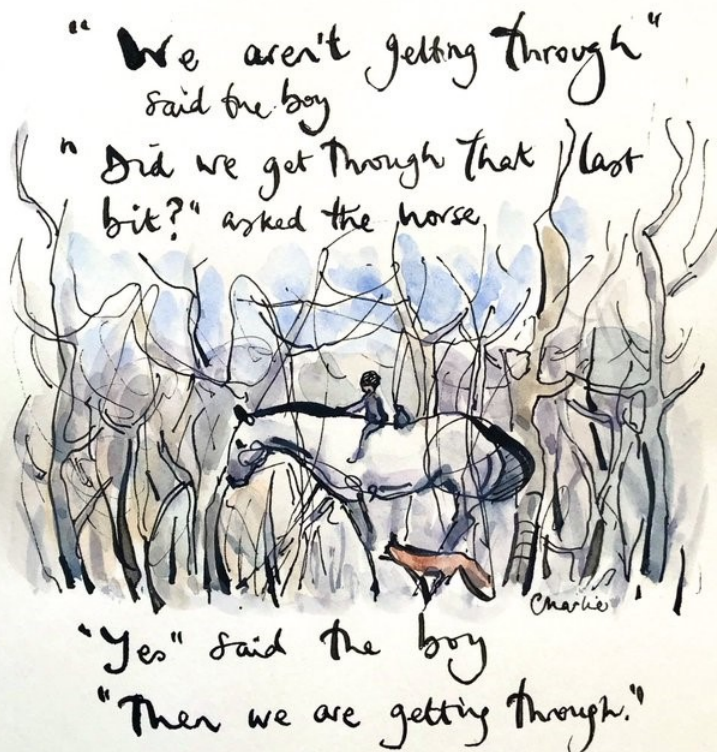

Being able to share the news with you all this week that we have dates and times and plans to see you all again in school before the beginning of the summer holidays has been really exciting. We all need to hope that the weather is not too hot but not too wet on the days when you will come in! I will send a letter next week explaining everything.

Thank you for those who have taken part in our 'Acts of kindness' power-point- I am going to send this out on Monday- to give anyone who hasn't sent a photo in yet the chance to take part. You may want to send a photo of something kind that someone else has done for you!

It was lovely to see so many of you on the Google Classroom Meet on Wednesday for Mrs Maginn's story time. We are planning more opportunities to use Google Meet as we know how important it is for us all to see and chat to each other.

Wishing you a lovely weekend. Mrs Black

## Reflection

Please know that we are thinking of our whole community:

For those home-schooling and juggling work, for those not able to work, for those whose children are in school, for those who are shielding, for those feeling anxious, for those feeling alone, for those feeling unwell, for those desperate to see loved ones again, for those who miss us being 'together'.

## UNIFORM CHANGE FROM SEPTEMBER 2020

From September 2020 our school uniform policy will allow **BLACK TRAINERS** to be worn to school. If you or your child would prefer leather school shoes, this is also acceptable- but the choice is now yours.

My reasons for changing our policy are:

- ♦ We will be using the outdoor classroom more so sturdy footwear is more appropriate.
- ♦ We will be continuing the 'Daily Mile' in September (where children run a mile during the school day) - wearing trainers maximises the time they have to run as they don't need to change footwear.
- ♦ Trainers allow children to 'play' games outside without worry about shoes slipping off or poor grip. It is important that our children enjoy their free-time outside.

PE TRAINERS will still be required- Black school trainers will not be worn for any field work- so a well-equipped PE kit remains essential.

The trainers will need to be **COMPLETELY BLACK**- no coloured laces/ soles. This will not become a 'fashion show'! So don't allow yourself to be bamboozled into buying very expensive 'fashion brands'.

### Year 3, 4 and 5 Parents.

Please remember to respond to our 'Return to School opinion Survey'.

I will be able to give you more information when numbers are secure.

Thank you for those who have already replied—you do not need to re-send.

Wishing a very **Happy Birthday** to the children who celebrate their birthdays from 22nd June- 28th June.

Charley G, Darcy,

Lydia, Lottie.

## THE GALLERY

Can you see a piece of work that you uploaded or made in school this week?

An especially big 'well done' if you have been spotted 'Shining' on Google Classroom.

People Who changed the World - Banksy

I think Girl With Balloon is saying goodbye to the only happy thing in her life which is the balloon. The balloon in the picture is red and the rest of the picture is black and white.

in 2018 the same painting was sold for over 1 million pounds. it was then partly shredded.

Girl With Balloon by Banksy.

The word Anarchy means without rules!

The Anarchist Rat

Banksy uses mice in a lot of his work and this is thought to represent the human race. Maybe Banksy wants us to protest against something?

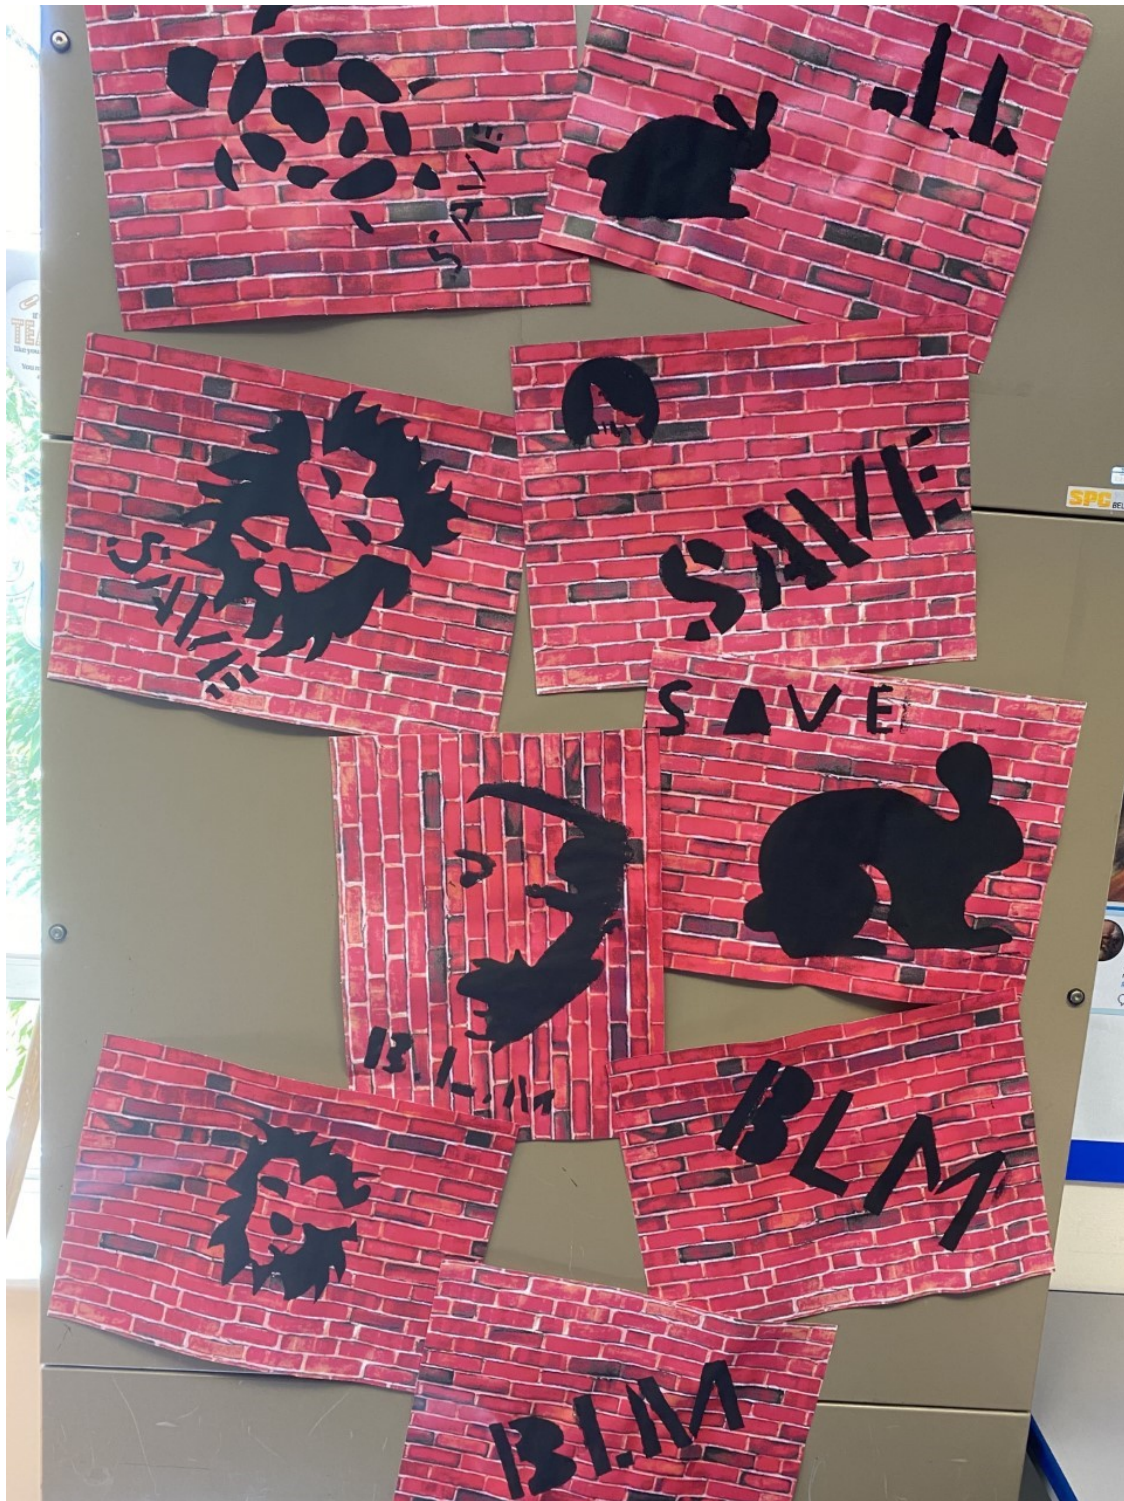

Unwelcome intervention

I think that the children want to get away so they dig and find a perfect paradise.

This painting is painted on the Palestinian side of the Gaza strip.

# Excellent work on Google Classroom

22/6/2020

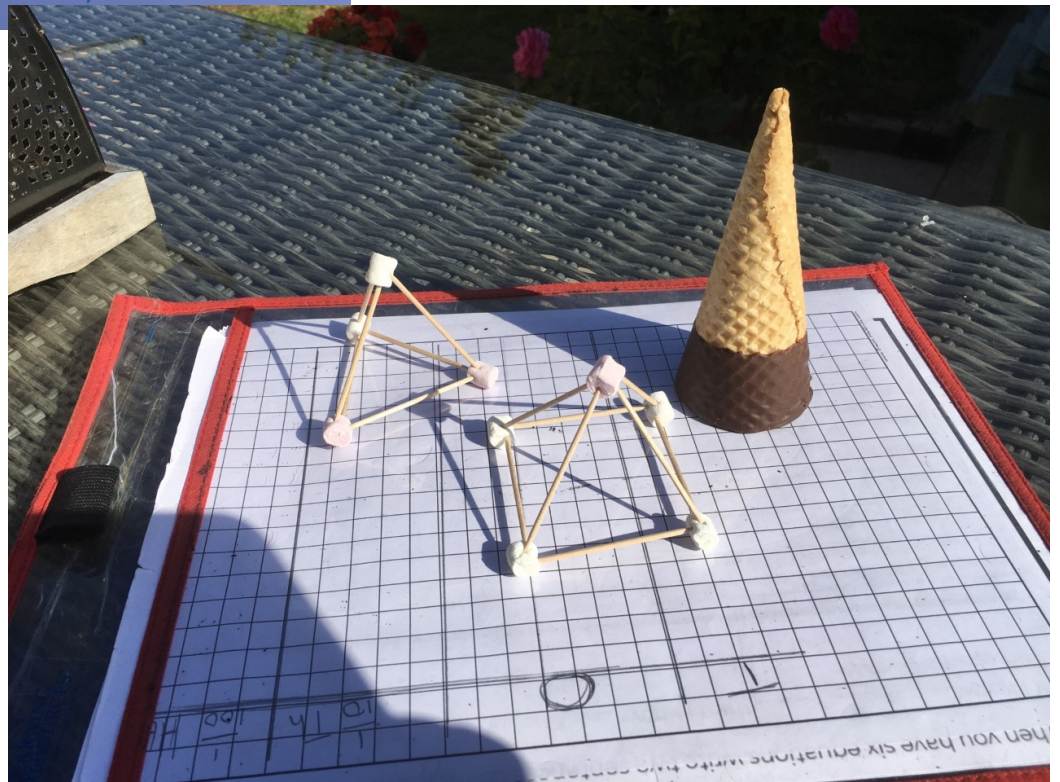

I wish that people's voices can be heard and so their ideas can be shared and be put into action and also shared with the community.

I wish that one day in the world will be back to the world it was years ago, a healthy planet, a planet one can only dream of becoming again, just like Martin Luther King dreamed of world peace.

I wish that people would challenge themselves and not do a easy challenge every day also it is important to challenge yourself so you can get better at it and improve!

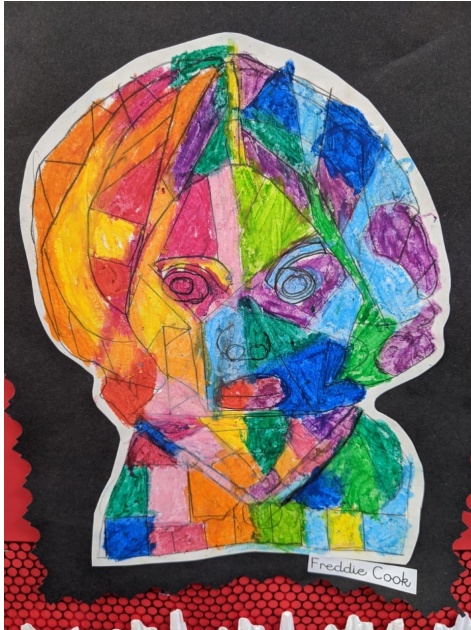

I wish that homeless people had a home to keep warm and safe in so when a time like this passes by they would not have to worry and also not have to worry about food as I want them to have money to spend.

I wish that wildlife across the world had a home too as we are chopping down trees right now and we are not setting a good example for our planet and ourselves and I feel like tomorrow we would have no more homes for the wildlife.

## Rosa Parks

Fact file  
Born and died: 4/2/1913 - 24/10/2005

She grew up on a farm in Tuskegee, Alabama.

Rosa Parks said no to getting up from her seat to let a white person sit in it. Due to her action she got evicted from the bus and she got arrested but she also made a protest for equality.

Did you know? she inspired Martin Luther King !!!

The protest went on for over a year (381 days) this made the government to change the buses.

She made this historical moment on the day of December 1 1955 but her court trial was on December 5th 1955.

## Thomas Barnardo

born 1845

He used to be a selfish boy when he was young

He tried to read the bible to homeless people to get their hope up but it did not work

He set up a school it was called the Ragged School it was free

While he was going to lock the school up he met a boy called Jim Jarvis

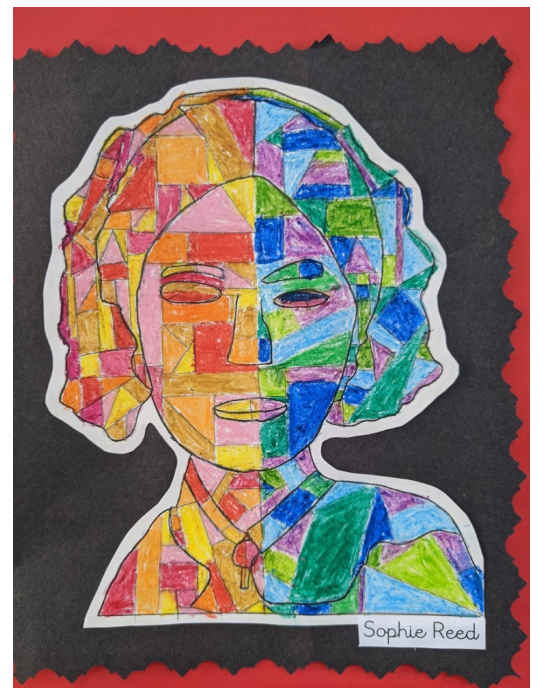

He had no home nor mother or father

Thomas asked him if there were any more he said yes and showed him where they were

One day while the home was built up a boy knocked on the door he was homeless and he wanted to come in but there were no more spaces so Thomas didn't let him in and hoped there were more children to struggle up with

In the morning he saw the sun was frozen to death and two men were carrying it
