BACK-TO-SCHOOL NEWSLETTER

4th September 2020

Dear Parents and Carers,

WELCOME BACK !

It has been so lovely to welcome you all back to school this week.

It feels wonderful to see the school busy and full once more! There have been one or two tweaks to some of our new processes and arrangements; thank you for your cooperation and patience! I am sure that in no time everything will be as seamless as it has been in the past.

There continues to be a great deal of uncertainty regarding school trips and residential visits. I shall keep you updated on any guidance and my thoughts - but we are not currently planning any trips this term.

I have attempted an on-line assembly via Google meet today, which was relatively successful! The children were very patient and will no-doubt be assessing me on my IT skill development this term!

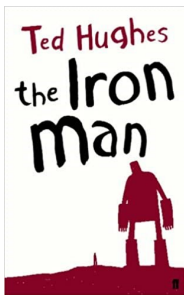

I definitely have a lot to learn!

Watch out for your year group termly letters over the next few days- there is lots planned for your children and the staff have worked hard to create really engaging topics.

Each class will have its own 'class reader' that they will be sharing each day.

These are:

Year 3

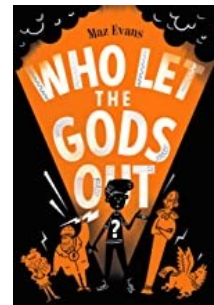

Year 4

Year 5

Year 6

Thanking you all once again for your ongoing support.

Have a lovely weekend

Becky Black

Wishing a very **Happy Birthday** to the children who celebrate their birthdays

Goodbye to Mrs McQueen

During the summer we have said goodbye to a dear friend and colleague, Mrs McQueen.

She has worked within St Andrew's for 12 years in many roles. Her High-Five club is the most popular club we have and she has coached the team with incredible passion and skill.

We will all miss her and wish her well as she embarks on new adventures.

We will be making her special cards over the forthcoming weeks to present to her.

School Photos!

The school photographer will be taking individual photos on Monday morning so please remind your children to wear their brightest smiles!

Social distancing and other safety measures will be adhered to.

Year 6 who have PE to please arrive in their PE kit with a school jumper. If you wish to bring a school shirt to change into this is fine.
