

2021 - Still Keeping Everyone Safe

Critical worker/ vulnerable family support.

It is understandable that some parents and pupils may be anxious about returning to school. Things are still very challenging. We continue to take great care to make sure we are safe for our children, families and staff. A key part of that process has been to conduct a thorough risk assessment of what we need to do. This is a summary of just a few of the things we continue to doing & have updated for this term.

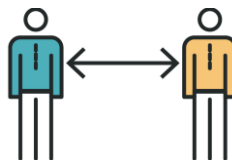

Risk Assessment: We have updated our comprehensive risk assessment to make sure the school is safe to re-open.

Layout: We have re-checked the layout of parts of the school and classrooms to make it easier and safer to move around and keep a safe distance.

Bubbles: Classes/ Year-groups will stay in their "bubbles" both during teaching and during playtime.

Social distance: We will be re-enforcing the guidance on social distance. Your co-operation is greatly appreciated.

CATCH IT.

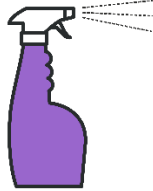

BIN IT.

KILL IT.

Signage: You will see lots of new signs round the school to remind everyone how to stay healthy & safe.

Staggered Times: We are not needing a staggered start/finish time with the current number of pupils. 8:45am arrival and 3:10pm collection. We are continuing use of our one-way system. Please do not congregate in groups when collecting children.

Clean & Disinfect: The school and classrooms is regularly cleaned and disinfected throughout the day - we will also continue to have a regular deep clean. Hand sanitisers are available throughout the school and children have been requested to bring their own from home.

Handwashing: We are still reinforcing the importance of handwashing with regular handwashing throughout the day.

PPE: Unless there is a clear exception - all staff will be required to wear face coverings whilst in the classroom.

**TEST
&
TRACE**

Test & Trace: If anyone has Covid symptoms or has been tested positive we will follow government guidance and procedures to keep everyone safe.

Please continue to read the regular updates provided by the school for more detail. Feel free to contact school if you have any concerns:
