NEWSLETTER

26th March 2021

Dear Parents,

Well done on making it to the end of possibly the longest half term in history!!

There are endless words to describe 2021- I fear that they could sound overused as I have used them so frequently - but I really am SO very thankful for all of the support you have shown your children and the staff this year.

As a community we have become stronger and shown such resilience.

But we are all so tired aren't we?

On behalf of the entire school staff and governing board, thank you for everything you have done during this time. We hope that you all manage to have a peaceful and Happy Easter break and that you can enjoy time at home without google meets, worksheets or art projects potentially causing you stress!

Have a lovely Easter break
Looking forward to seeing you in the Summer Term!

A visit to St Andrew's Church

Children in years three, five and six have visited St Andrew's Church this week to complete the Easter Trail; it follows the 'Stations of the Cross'.

The children really enjoyed the sunshine, the experience, the friendly black and white cat and their first 'school trip' of 2021! Thank you to Mr and Mrs Keenan for making this.

The children were so well behaved; it was lovely to receive a number of compliments from local residents!

Year Six have
been designing and
making dragon
eyes.

Aren't they
amazing?

These are the children who have been spotted shining in school this week. We could have chosen so many children- the decisions were hard to make!

Well done for demonstrating our CARE values.

Luca - Birch

Compassion Achievement Respect Enjoyment

Every child is known and loved.

Every child shines.

"It will be a miracle if we get there,"
sighed the boy
"It's a miracle we've got this far,"
said the horse

We are thinking of Jacob S and his mum at this sad time.
