SPOTLIGHT ON YEAR THREE!
Apple and Birch Base

Year 3 have had an excellent start to the Summer Term! We have tried out the sport of 'New Age Kurling'; a new sport for us at St. Andrew's! The children had brilliant fun working strategically to try to win the game by pushing their 'stone' nearest to the centre of the 'house' (target). It was particularly entertaining when there was an unexpected win through bumping someone else's stone out of the way! Fully within the rules! We have also started learning about the life and work of artist Georgia O'Keeffe. We looked at some of her paintings of flowers and then went into the nature area to find some flowers and leaves and do some sketching work. It was very peaceful and enjoyable, and it was wonderful to see the children immersed in noticing the small details and beauty of nature.
