

Hatfield Peverel St Andrew's Junior School

NEWSLETTER

23rd April 2021

Dear Parents,

Another week has flown past, so fast in fact, that I had forgotten to ask a year group to do the Spotlight feature! So there is no 'Spotlight' this week. There has been lots of hard working in all year groups though!

The sunshine and warmer weather has been so welcome and the addition of after school clubs returning has been very welcome to us all.

Barry and Sandie from Reality Church will be re-starting their lunchtime club in a couple of weeks. This will be outside (under the gazebo) and in year group bubbles.

The children will be informed of which sessions their year groups can take part in and there is no need to 'sign up' your child as it is a lunchtime club!

The new 'Summer menu' continues to please many children! 'That was delicious' said a very well-fed and happy Year Three child on Wednesday's Burrito day!

I hope that you are also pleased with the choice and range.

Have a lovely weekend and take care

TREE PLANTING

We will be taking another delivery of trees and hedgerow plants- a gift from the Woodland Trust.

If you have any time to help us plant these- please contact the office.

I would really appreciate it!

I am really not very green-fingered!

Reminder: to sign up for clubs.
See separate year group email.
Clubs start this week.

Emily golden locks donated to charity!

Emily (from year 4) has grown her hair and is donating it to The Princess trust.

She is now actively raising money to send off too.
Well done

We know the wigs made from donated hair makes a huge difference to the many children who need them.

Safer Roads for our Children and Families.

Miss Tuttlebury (one of our parents and midday assistants) is our new Crossing Patroller. She will be helping families cross Maldon Road.

She will be on duty from
Monday to Friday from

We are so pleased that Miss Tuttlebury is now in post, as it will make crossing this busy road much safer.
