## NEWSLETTER

18<sup>th</sup> June 2021

Dear Parents,

A week of two definite halves! Scorching hot sunshine and gloomy heavy rain too! With Year Five secondary taster and Year Six transition days being cancelled, the children in Upper School have coped with these disappointments really well.

We will be continuing with our 'in-school' transition sessions as planned, the Year Six children will have extra sporting activities with a coach and Mrs O'Connor.

Mrs O'Connor will not be part of our transition sessions this summer as she will be going on maternity leave in early September!

We are all very excited about the future arrival of baby O'Connor!

We are likely to move our 'in-school' sports day from Monday 21<sup>st</sup> if the wet weather forecast arrives! This will most likely be to the following week but I shall update when it is all clearer!

A big well done to all of the children this week, they have been completing NFER and in Year 6 SATs assessments. These give a standardised score and are being used to standardise teacher assessment this year.

Wishing you a wonderful weekend.

Wishing a very Happy Birthday to those who have celebrated their birthdays between:

June 14th and June 20th

Well done Greystone!

Thank you to our amazing JSA for having the great idea that was last Friday's 'Break the Rules' Day!

Together you all raised an enormous £543! Well done and thank you all for your fantastic support.

Thank you to the members of the JSA who organised the very 'Secret shopping event'!

## Year 6 end-of-SATs breakfast treat

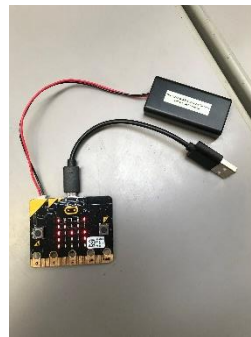

## Year 6 end-of-SATs breakfast treat

Well done to our lovely Year Six.  
They have sat their unofficial  
SATs this week.  
They have worked really hard  
and we are very proud of their  
effort and resilience this year.

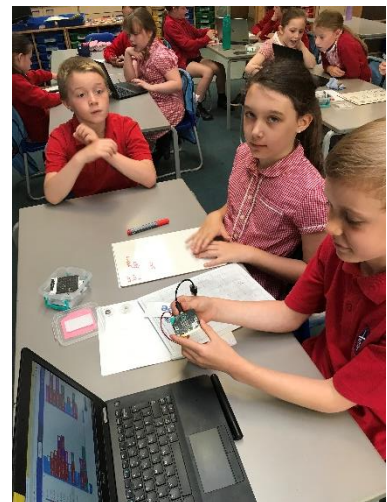

# Year 4 and Mrs Waring's Micro-bit computing lessons.

Thank you to Mrs Waring for coming in on a day off to give the Year Four children an additional computing lesson using Micro-bits.

They all really enjoyed the lesson and now Mrs Spilling and Miss Watson are skilled up in teaching micro-bits too!

These are the children who have been spotted shining in school this week. We could have chosen so many children- the decisions were hard to make!

Well done for demonstrating our CARE values.

Archie S - Apple  
Henry W - Birch  
Abigail - Cherry  
Orla-Mae - Fir  
Alfie B - Maple  
Oscar - Oak  
Oliver - Rowan  
Elliot D- Sycamore

### COMPUTING IN SCHOOL

The children are using their Google Classroom accounts regularly in school so please don't be alarmed if you receive an alert saying a new device has been used to log in to their account. The chances are that every time they log in, it will be a different device (we have many laptops!) triggering an email alert.

*Thank you to Miss Shomuyiwa (Miss Smith's daughter) who has been volunteering in school this week.*

This is a paid-for advert. St Andrew's is not endorsing the camp, just sharing the information with you in case you are interested.

### **Give them something to really look forward to in the school holidays!**

Whilst we might not be able to go to far-flung places just yet, your child can have a real adventure in the school holidays at an activity camp on their doorstep.

They'll get to try new activities, develop new passions and meet new friends in incredible settings at convenient locations. Barracudas has so much to offer, including:

- **Unrivalled activities**
- **Choice for every session**
- **Fully qualified and trained staff**
  - **Amazing venues**
  - **Convenient locations**
  - **Ofsted registered**

**5 Star Trustpilot rating**

Book them in for a full week at your local Barracudas camp to give them something to get excited about!

With [unrivalled activities](#) as well as bundles of [new activities for 2021](#), whether they're a first timer, or seasoned Barracuda, they'll have the BEST time every day!
