## NEWSLETTER

9th July 2021

Dear Parents,

There have been so many wonderful learning opportunities in school this week; photos to follow next week!

**Year Five** started the week with a USA day that involved lots of dressing up, craft and America food!

**Year Six** have been filming their Production 'Pirates of the Curry Bean'- the singing and acting has been amazing! Well done to Mrs Smith and the Year Six team for being so creative in the making of this film! They have also started their Bikeability course!

**Year Four** have been preparing for their Cream tea afternoon by making strawberry jam, onion chutney and by taste-testing different options for their savoury and sweet scones!

**Year Three** have finished the week with an amazing Italian day that involved a pizza van, wearing red, white and green and generally having great fun!

A huge thank you to all staff who have worked so hard to make these amazing learning opportunities for our children.

The children's annual reports have been written and I am currently proof reading them and they will be with you at the end of next week.

Have a lovely weekend!

B Black

Wishing a very **Happy Birthday** to those who have celebrated their birthdays between:

### Warning:-

It has been brought to our attention that some of our pupils are being offered rides on older children's electric scooters. In

one instance this resulted in a nasty accident requiring first aid. You may like to remind your children of the dangers of riding these scooters unsupervised.

Congratulations to Miss Brennand  
who got married last week.  
We all wish Mr and Mrs Gosling  
great happiness together.

## *in Loving Memory*

We received some very sad news this week about the death of a ex-pupil.

Abbie Subavarathan was a much loved, vibrant and wonderful member of St Andrew's Junior School from 2011- 2015.

She is remembered with great fondness by staff for her: kindness, friendship to others, brilliant work ethic, pursuit of fun and her infectious giggle.

We have planted a rose bush in the memorial garden in memory of her and our thoughts and prayers are with her family and friends.

### **Little Snowdrop**

The world may never notice  
If a Snowdrop doesn't bloom,  
Or even pause to wonder  
If the petals fall too soon.

But every life that ever forms,  
Or ever comes to be,  
Touches the world in some small way  
For all eternity.

We have had two work experience students from Baddow High working with us this week. Christina and Milly both attended St Andrew's when they were younger. It has been wonderful to welcome them back.

## *Congratulations*

Well done to Jo H, Joe C and Mrs Kett who received 5 stars for the recent Food Hygiene Inspection.

The inspector said that our dishwasher is the cleanest that she had ever seen!
