## NEWSLETTER

16th July 2021

Dear Parents,

As we finish the last full week in school this year it is time to reflect!

The changes that you and your families have had to endure.

The stress and technology-issues you have all navigated with home-learning whilst working-from home.

Those of you who have had keyworker roles and have kept our country safe and the 'wheels of life' turning.

The changes in circumstances many of you have experienced, often out of anyone's control.

Well done to you all!

We know it has been a year like no-other and one that has brought much stress, heartache and strain to so many.

Please know that we 'see' you all.

All of our families are loved and known and everyone has shone this year!

Looking forward to a calm final three days next week.

Enjoy the sunny weekend.

B Black

Wishing a very **Happy Birthday** to those who have celebrated their birthdays between:

**July 12th and July 18th**

**Oscar, Connor, Gabe,  
Molly J, Joshua R, Tommy**

Wishing the lovely Mrs Arnold and Mrs O'Connor all the best as they recover from illnesses at home.

We are missing them both.

*Retirement only means,  
it is time for a new-adventure.*

We would like to all wish Mrs Jeary all the very best as she begins her **EARLY** retirement from teaching today!

She has been a much-loved and very committed teacher during her time at St Andrew's Junior School.

We know that she will miss us, but is really looking forward to spending time with her lovely family and lovely dog!

These are the children who have been spotted shining in school this week. We could have chosen so many children- the decisions were hard to make!

Well done for demonstrating our CARE values.

Matilda - Apple  
Jessica - Birch  
Jack B- Cherry  
Ethan - Fir

EVERYONE! - Rowan

*Every child shines.*

"Most of the old moles  
I know wish they had  
listened less to their fears and  
more to their dreams."

Thank you and Goodbye to Mr Paul Strong who has been a member of our Governing Board for many years. He has been very supportive and has taken a keen interest in the English curriculum. We would like to wish him well in the future.

## More summer break resources

from White Rose Maths!

White Rose Maths is proud to team up with leading supermarket, Morrisons, to give primary pupils a series of exciting and **FREE** workbooks to use at home. These colourful and engaging workbooks are perfect for revisiting and practising work that children have covered earlier in the year, or to prepare them for the new school year ahead.

Mrs Pettifer and Mrs Smith (Our Maths leaders) would like to draw your attention to these **FREE** workbooks available from Morrisons. The Maths we teach in school is based on White Rose and so these will be very helpful in allowing consolidation of key skills learnt this year- taught by you and us! There will be prizes for any children that return to school completed books!
