NEWSLETTER

19th November 2021

Dear Parents and Carers,

What a very busy week! Another 'book look', our first 'Parent Voice' meeting, a visit for the Year 6s from Andrea from Essex Fire Safety teaching about Cyber safety and 'Flu- sniff' vaccinations.

Next week sees: Year 5s trip to Greenwich Observatory, Open Day for new parents. Also, teachers will be meeting to moderate writing with other staff from the Witham Collaborative on Wednesday after school. This is a really useful opportunity for us to compare our children's writing with others from local schools; it also ensures consistency in assessments across all schools.

We are really excited that Mrs Robinson starts in the kitchen on Monday as our new Catering Manager. She has some brilliant plans for the kitchen; more to come once she has settled in!

Have a wonderful weekend.

B Black

'Thank you and Goodbye' to our temporary Chef Ralph. We have really enjoyed his cooking, his flexibility and his sense of humour.

This week the children loved seeing his war medals after we talked about remembrance parades.

We wish him well in the future.

Spotlight on Year 4

It has been a busy couple of weeks for Year 4! Last week began with our very exciting trip to Colchester Castle. The children learnt all about how the Celts and Romans lived in Iron Age Round Houses and Roman Villas. They explored the Museum to find artefacts that showed the impact the Romans had when they arrived in Britain.

Then they took part in a very interesting 'story trip' underneath the castle, where they found out about the Romans arriving in Britain in AD43, and how they attacked and invaded.

This tied in perfectly with our history lessons where we are looking at the skill of 'understanding continuity and change', which involves looking closely at historical sources from both the Iron Age (Celtic) and Roman periods of British history and comparing them to see what differences can be spotted.

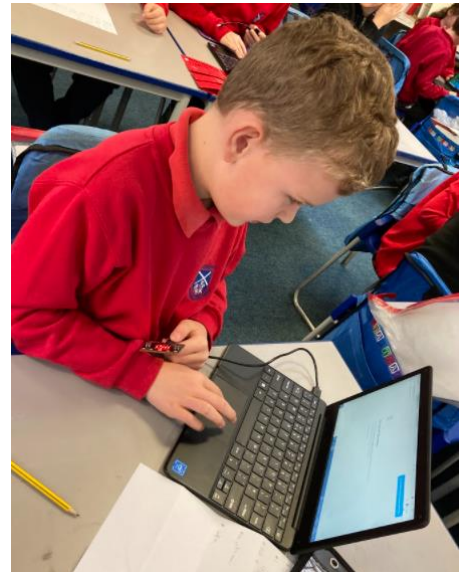

Spotlight on Computing

On Tuesday morning pupils in Oak, Maple and Sycamore had the privilege of a visit from a specialist computing teacher who led sessions on using BBC Micro:bits. It was an exciting hands-on morning and year 5 children were able to continue writing code for their Micro:bit projects with Mrs Waring in the afternoon. Children in Rowan will get an opportunity to do this later this term with Miss Coughlan.

French Club

Euro Kids is a club which specialises in French tuition for the 5 to 11 year age group and has been running at the Infant and Junior School at Hatfield Peverel for many years. The aim of the club is to give children an introduction to the written and spoken language in an informal atmosphere and encourage each child to read, write and speak French with confidence.

After a long break due to Covid restrictions, I have now received sufficient interest to resume the club in January 2022. This will take place after school on Wednesdays.

The cost of each session will be £6.50, payable termly in advance, with a one-off joining fee of £12.50. This includes a glossy workbook and bag that pupils can work through at their own pace.

I still have a few spaces available, so if you would like your child to attend, please contact Sharon, either by e-mail or phone and provide me with your child's full name, year group and your email address and mobile telephone number.

(If I have acknowledged your interest already, I will email you separately with full joining instructions.)
