

Hatfield Peverel St Andrew's Junior School

NEWSLETTER

27th June 2022

Dear Parents and Carers,

It was such a pleasure to lead the school last week, while Mrs Black and year 6 were away at Hilltop. The children have made me so proud.

I spotted Year 3 shining while they were starting to make their Moving Mountain Monsters - I can't wait to see them finished!

Year 4 have now all completed their multiplication checks and were so calm and focussed - well done to you all!

Year 5 showed our CARE values brilliantly this week in caring for their chicks (see the Spotlight section below) and by helping with the Infant sports day,

I have also heard that Year 6 have had the most amazing time at Sheringham. I'm sure that there will be lots of photos to share with you all in Friday's newsletter.

Hoping you all had a wonderful weekend,

Mrs Dutaut and the St Andrew's team

Amazon Wish-Lists

We are asked from time to time by parents how they can help support the children by providing resources or volunteering their time via either the JSA, on trips or with reading etc in the classroom. All are most welcomed and we are enormously grateful to those parents for their help and support. We list below links to our year group Amazon wish-lists (with several new items added) if this should be your preferred way to support the children (but *only* if you can and would like to):-

Spotlight on Year 5

Exciting news from Year 5!

As part of our Science topic (Living things and their habitats), we are looking after some chicks. It has been so exciting!

Clark

On a normal Monday morning, something exciting happened - eight eggs were in an incubator in our classroom! Mrs Briggs said that it was part of our Science lesson. A couple of hours later, one chick hatched, that was Oreo.

Emily J

When the man delivered them, we were all excited but while we were at break one hatched. I bet it just needed some peace and quiet!

Jules

The next day, 4 more chicks hatched! I was shocked because there were so many! I was also very confused because they had become so fluffy already.

Brooke

All the chicks were in an incubator. Soon, we moved them to their brooder.

George

Spotlight on Year 5

We named them: Midnight, Pom-Pom, Oreo, Bambi and Bumble which made it even louder. When we were doing tests, we gave them to Year 3 so they couldn't distract us. There were two yellow ones, one black one, a black and white one and a brown and yellow one.

Amelia

The next morning, we found out that another chick had hatched! An adorable grey chick called Mumble who was named by Mrs Black because she thought it looked like the penguin from 'Happy Feet'.

Emily

Luckily, we got to hold the chick which I was really pleased about . The chick I held was Bambi. It was full of energy and pecked a lot. It was very fluffy and it went on my lap. After that, Bambi did a poo on Mrs Briggs' hand!

Alice

Sadly, today our chicks had to go to their new homes. I will miss them very much.

Rhianna

In conclusion, at least I have a photo with Bumble which will be a memory forever.

Archie

The chicks were collected today by Our Garden Hens who supplied us with the incubator, brooder cage and eggs. They have over 100 chickens and are Championship winning Silkie breeders. People are travelling from Wales to buy and pick up our chicks because their championship line is so valuable! We are very pleased they are going to a new home where they will be loved.

Year 5

Spotlight on Year 5

Abby took part in her first show for her Theatre School. It took place at the Mercury Theatre in Colchester and was her first time performing in a proper theatre. She took part in 4 dances and sang a duet which included some acting. It was a fantastic show and her family are very proud of her.

Really well done to Abby – here is a fantastic photo of her from the show!
