

Hatfield Peverel St Andrew's Junior School

NEWSLETTER

7th October 2022

Dear Parents and Carers,

I would like to say a HUGE THANK YOU to Mrs Chasmer and Mrs Winwood who wrote to Bellway last year to enquire whether they would be able to support the school in any way. They replied saying YES and our new Nature Base project was started! The 'outdoor classroom' had fallen into disrepair and the rejuvenation of this area, now named 'The Nature Base' has an enormous impact on the learning of all of our children.

Each half term, different year groups spend their afternoons learning outdoors with our deputy headteacher, Mrs Dutaut. They spend this time developing their communication skills, negotiation and teamwork, all crucial life- skills! Each session links to the national curriculum, providing experiential learning in a practical and outdoor environment. Research shows that outdoor learning has many positive implications for our children's mental health, behaviour and engagement with learning - and we are already seeing these positive impacts .

We would like to thank every team member (made up of Bellway staff and their associates) who spent a very hot summer working on this project; their dedication and enjoyment of this project was clear.

Have a lovely weekend

Mrs Black and the St Andrew's team

Dear Parents,

Our current set of school bibles have been well-used in RE lessons across the school and now desperately need replacing. If any parents would like to donate a bible to the school, we would be most grateful. You can do so by following this link.

Wanted: volunteer readers for our wonderful children.

Do you:

***Have any spare time you are willing to use to help?**

Even if it can only be a small amount, we would be grateful!

***Enjoy hearing growing readers and stories?**

***Want to be a part of supporting children with their learning?**

Then, please call or send an email with your name and any hours you are able to volunteer to the school office marked FAO Mrs O'Connor.

All volunteers will have training available to them from the English Lead here at school in order to best support our children to **shine** with their reading.

****Please be aware that we would not ask you to read in your child's year group****

Miss Atkins, Mrs Griffin,

* YEAR 6 PARENTS *

As you may be aware, the new secondary school admission round opened on Monday 12th September 2022, for parents of current Year 6 children to apply for a secondary school (Year 7) place for September 2023.

The statutory national closing date for applications is **31st October 2022**.

Applications can be made online via www.essex.gov.uk/admissions

All of the application information is available on the website above.

Amazon Wish Lists

We are asked from time to time by parents how they can help support the children by providing resources or volunteering their time via either the JSA, on trips or with reading etc in the classroom. All are most welcomed and we are enormously grateful to those parents for their help and support. We list below links to our year group Amazon wish-lists (with several new items added) if this should be your preferred way to support the children (but *only* if you can and would like to):-

AmazonSmile is a **simple way for you to support your favorite charitable organisation every time you shop**, at no cost to you. AmazonSmile is available at smile.amazon.com on your web browser and can be activated in the Amazon Shopping app for iOS and Android phones.

Please select 'St. Andrew's Junior School Association' to sign up and help support the school - via the JSA (a registered Charity) - at no extra cost to you.

PUNCTUALITY

How does this affect children?

If your child arrives late to school, he/she misses the teacher's instruction and the introduction to the lesson. They may also feel embarrassed at having to enter the classroom late.

Pupils arriving late to school, cause disruption to their learning as well as others, which is unacceptable and can be upsetting for them and their classmates.

Do you know how much learning children miss out on due to lateness?

Minutes late per day during school year	Equal days of teaching lost in a year
5 minutes	3.4 days
10 minutes	6.9 days
15 minutes	10.3 days
20 minutes	13.8 days
30 minutes	20.7 days

What can you do to help?

- **School day starts at 8.50am** Ensure your child arrives on time.
- Prepare school uniform, packed lunches, school bags & breakfast items the night before.
- Make sure the alarm clock is set at a reasonable time for getting everyone up and ready.
- Leave home with sufficient time to allow for any unexpected incidents e.g. traffic, road works etc.

Punctuality is important for children to start the day off well. If you need support and advice about punctuality issues, please contact the school.

MESSAGE FROM MRS SPILLING OUR SCIENCE LEAD

You may be interested to know that there is an exhibition being held at Chelmsford Cathedral from 12th - 29th October called Gaia.

Gaia is a touring artwork by UK artist Luke Jerram. Measuring six metres in diameter and created from 120dpi detailed NASA imagery of the Earth's surface, the artwork provides the opportunity to view the planet, floating in three dimensions.

It will be suspended, two metres up, giving visitors an opportunity to see the earth as astronauts see it from space and will fill the nave of Chelmsford Cathedral.

You can book your tickets on the following website:

Every child is loved and known.
Every child shines.

REMINDER:

If your child is cycling or scootering to school please ensure that they are wearing a helmet.

This is to keep them safe- if your child refuses to wear one, please let Mrs Black know and she will reinforce this rule!

Spotlight on Our new Nature Base

As a school community we have been incredibly lucky and are so appreciative of the amazing project that has been led by Bellway and their associates.

On behalf of the staff, governors, children and the whole community we would like to express our heart-felt thanks for everyone who has made such a wonderful difference!

Spotlight on Year 4 trip To Wat Tyler Park

Friday 7th October

① Why is Wat Tyler Contry park an amazing place to learn?

Wat Tyler Contry park is about 30^{min} drive from hatsfield pereral. It is at Pitsea, Basildon. It is a great place for adventures; you can do pond dipping, orienteering (using a compass), looking at parts of rivers and you can make a mini river. It is also a great education for all ages and has many usful facts!

On Thursday 6th October 2022 the year 4 children of S+ Andrew's were lucky enough to visit and experience a fantastic day filled with amazing geography lessons about rivers.

River Study

During the river study, children had the opportunity to make a river by scattering sand around a slightly tipped up wheelbarrow. They used a tub with a hole in it and water and blue covering. It was amazing because it actually looked like a blue river flowing down a mountain. I recommend this for all ages.

Noah's family wanted to share that he received Man of the Match for playing for his football team on Sunday, and scored his first goal too! They are super proud. His team played so well and are improving so much each week. Congratulations and well done Noah!

Jules won spirit of the game at his Ice Hockey game this weekend. His family are so proud of the amount of hard work and dedication he has put into his training and this weekend his positive attitude and hard work has been recognised.

Congratulations and well done Jules!

Alexander's parents shared this:
Alexander has done very well this week
and received a certificate for his
swimming which he has worked so hard
for - we and he are very proud!
