

Hatfield Peverel St Andrew's Junior School

NEWSLETTER

19th May 2023

Dear Parents and Carers.

Thank you to the JSA for planning and organising the sponsored fun-run today! If you haven't yet sponsored your child please find the link below.

<https://gofund.me/9378c8fc>

The JSA support all areas of the school budget, impacting all children on a day-to-day basis. All school trips are subsidised by the JSA, they have paid for curriculum resources, school experiences as well as creating wonderful opportunities for your children to enjoy.

I would like to formally thank all members of the committee as well as those who help at events. You really do make a huge difference to our children. Thank you so much.

With our very best wishes from
Mrs Black and the St Andrew's team

Mrs Chasmer, Mrs Winwood and Mrs Black attended an online awards ceremony as the JSA has been shortlisted for PTA of the year.

Sadly, we were not fortunate enough to win the £2000 prize but it was lovely that the efforts of our volunteer JSA members was recognised.

to those who have celebrated
their birthdays between:
15th to 21st May 2023

**Lenny E, Clark, Lottie,
Freya, Jacob W, Alfie, Neil R**

MOST PLAYED

1 st	Joshua H	37,343
2 nd	Logan E	28,806
3 rd	Luca C	7,930

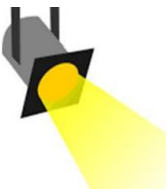

These are the children who have been spotted shining in school this week. We could have chosen so many children- the decisions were hard to make!

Well done for demonstrating our CARE values.

Apple - Steven
Birch - Grace
Cherry - Thomas R
Fir - Isla
Maple - Jasmine
Oak - Alexander
Rowan - Rhianna
Sycamore - Emily

Compassion Achievement Respect
Enjoyment

Every child is loved and known.
Every child shines.

Spotlight on Year 3

Year 3 had a fabulous day at Walton on the Naze on Monday. To help give the children some first hand experience of our topic of coasts, we began our day by sketching and studying two contrasting cliffs; one with sea defenses and one without. The children could clearly identify different layers of rock in the cliff face and were able to use these rocks to rub in and colour their diagrams!

We then worked in teams, pretending to be the sea and noticing the way that the sea moves sediment further up the beach. To prove this, we threw pinecones into the sea and saw how the sea defenses helped to stop the sediment being eroded.

After a sunny picnic lunch and some time to run around, the children continued their understanding of coastal erosion by building their own coastal towns using scavenged beach materials. They worked in groups to make decisions as to what would make the best sea defenses. Our guides, then 'tested' our sea defenses with buckets of water! We are proud to say that most of our towns remained standing - the children had clearly learnt a lot!

We really enjoyed continuing our beach scavenge, this time learning about the different kinds of fossils along the coast line. Our expert guides helped us to identify sharks teeth, fossil wood and the difference between new shells and those that were over 50 million years old! The children were able to collect many treasures of their own and take them back to school.

Spotlight on Year 3

Kathryn: I loved collecting fossils and seeing the cliffs actually fall down!

Isabel: I loved lunchtime! We were so hungry!

Albert: Making the towns was fun.

Lee: The fossils were great!

Mrs Arnold: I was very proud of how enthusiastic Year 3 were.

Poppy: I enjoyed sketching the pictures of the cliffs.

Jacob raised much needed funds for the Charity – The Dream Factory – by climbing Mount Snowdon at the weekend. His family are very proud of him and so are we. A huge well done to you Jacob from all of us here at St. Andrew's – what an achievement! If you would like to help support Jacob and his appeal please go to:

www.justgiving.com/page/jacob-tompkins-snowdon

Max, Luca and Thomas from year 5 won their cup final at the weekend! Here they are celebrating with their Silverware – well done boys, a great achievement!

A message from Jasmine's Mum:

We are all so proud of Jasmine for cycling 15 miles last Sunday to help raise money for the Helen Rollason charity. I cycled with her and not only was she a girl on a mission to complete her challenge she also motivated myself especially when it came to the hills. So very proud of her.

Super job, Jasmine. Well done!
