

Hatfield Peverel St Andrew's Junior School

NEWSLETTER

15th September 2023

Dear Parents and Carers.

Well, haven't the last few weeks been 'interesting'!

The children have all behaved so well and have been an absolute credit to us all, Mrs Twinley has commented that no one would even have known we had used the space this week. Watching the children adapt and settle in to their new routines has demonstrated how fabulous they all are!

I would like to personally thank everyone who has been so instrumental in making this last week run as smoothly as it has. You have all shown such patience and compassion to my amazing team - who really are absolutely exhausted! Thank you!

Thank you to Mrs Dutaut who has been leading Hatfield Place provision with a smile and a spring in her step. Supported by SLT (Mrs O'Connor, Mrs Pettifer and Mrs Smith) who have stepped up. They have all worked so hard and have produced many risk assessments, clear protocols, communications for staff and parents, maps and the children's welcome booklet! Meanwhile I have been mainly based at St Andrew's juggling meetings, acquiring resources and support required for teaching at Hatfield Place, discussions with county and the roof-project logistics.

We have cranes arriving on site in the middle of next week to bring the relocatable classrooms onto site!

They take time to be constructed and set up for use, but it is a very welcome start!

Have a lovely weekend!

From Mrs Black and the St Andrew's team.

Mrs Kett,

These are the children who have been spotted shining in school this week. We could have chosen so many children- the decisions were hard to make!

Well done for demonstrating our CARE values.

**Every child has shone so brightly this week.
We are so very proud of them all.**

**Compassion Achievement Respect
Enjoyment**

**Every child is loved and known.
Every child shines.**

The absence of a Newsletter in week ending 24th March meant that the following children weren't shared in the Shine accolades for that week. Well done and apologies to:

Apple - Lennie
Birch - Casey
Cherry - Henry F
Fir - Eleanor
Maple - Bobbie
Oak - Thomas
Rowan - Emily J
Sycamore - Darcy

Franky's family wanted to let us know how well he has done in his first season of ice hockey.

He was selected to play in a tournament in Scotland and only stepped foot on the ice for the first time last April – since then he has achieved so much. His family thought it would be nice to celebrate his accomplishments.

He went on to win the under 10s tournament and under 12s tournament and then the Stanley cup. He has achieved so much.

Fantastic work Franky – a huge well done to you!

Dear Parents and Carers

Re: Plume Academy Open Events – September 2023

I hope you all enjoyed an excellent summer break, and your children are looking forward to the next academic year. Here at Plume Academy, we are very much looking forward to welcoming back our returning students, but equally warmly greeting our new Year 7's to our Mill Road Campus. We know that our new students are excited about joining the Plume family, following our highly successful transition visits and events that have taken place over the past six months.

The decision as to which secondary school to select is never an easy one and therefore, we feel it is very important that parents, carers and students have all the relevant information they need to make an informed decision. Therefore, whilst we advise that you look at a variety of schools, we would be delighted if you were able to join us for our upcoming open events.

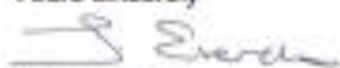

Our Open Evening will take place at our **Fambridge Road Campus** on **Wednesday 13 September 2023 between 6.00pm and 8.00pm**. This will allow families to tour the campus and visit our vast range of subject areas, speaking to both staff and students about their experience at Plume. Tour guides will be available, as well as the opportunity to attend a **talk either at 6.15pm or 7.30pm** from myself and fellow senior colleagues.

On **Monday 11 September 2023 and continuing through to Friday 22 September 2023**, families will also be able to book a tour of our **Mill Road Campus** if they should wish to see a typical academy day in action or if they were unable to attend the initial Open Evening.

To book a tour, please contact our Transition Team, via our Mill Road Campus reception on 01621 879803. Please note that tours will be available in morning slots only for the allocated two-week period, however, if you have any further queries outside of this period, I would be happy to respond to these via my email address of j.everett@plume.essex.sch.uk.

We very much look forward to welcoming our prospective new families to Plume Academy and meeting you all in person.

Yours sincerely

Ms J Everett
Assistant Vice Principal & Mill Road Campus Lead
