NEWSLETTER

19th April 2024

Dear Parents and Carers,

Welcome back to the 'Summer term' it is lovely to be back and to have some moments of sunshine.

We are keen for the children to be able to use the field when the weather improves and because of that will require additional midday assistants in order to help supervise the children.

The huge white hall in the middle of the field means these roles are essential!

The hours will be Monday -Friday from 11:50am -1:10pm and will initially be until the end of the summer term; the roles may be extended.

Please complete this goggle form to register interest in these roles.

<https://forms.gle/b3HfiGYytrAokZGj9>

I do hope that you have all managed to book your children onto the clubs that you choose. I am looking for additional external companies to lead afterschool clubs; if you are aware of any who you would recommend please do contact me via the admin email address.

Have a lovely weekend.

From Mrs Black and the St. Andrew's team.

Jack M and his family are delighted to introduce Isabella Alice, born 6th April 2024, weighing 8lb 6oz. They are all smitten and we can see why!

Such wonderful news, our congratulations and very best wishes to you all.

Sports day 2024

We **will** be having a sports day this year. Due to the reduction in playground and field size there will be some slight adaptations to the event.

Families whose children are in **Berwicks** and **Greystones** will attend from **9:15-10:15am**

Families from **Priory** and **Vinehurst** houses will attend from **10:45-11:45am**

The events will be the 'sporting activities' – where they collect points for their houses.

Due to capacity, we will have year group running races that will be watched by the whole school, we will not have space for spectators at this separate event. We will film these races and share them on google classroom.

Spotlight on Year 6

Escape Room - Grammar Edition

2024

As part of some revision, Year 6 were treated to a Grammar Escape Room this morning.

The children were split into groups of three and had to work together to solve ten clues to unlock the keypad which enabled them to 'escape'.

In order to solve each puzzle, the children had to use their knowledge of grammar: homophones, adverbs, prefixes, passive voice and so much more!

1st place in Rowan:
Lily-Eve, Izzy and
Dexter.

1st place in
Sycamore: Gayathri
and Max M

We had this lovely photo of Imogen sent in by her family – she got the highest score in her gymnastics group!

Great work Imogen and congratulations!

Below is Eden's experience, written by himself on his first flying lesson....

I love planes and when I am older I would like to become a pilot. This weekend I got to fly a small 4 seater plane. We orbited around Kelvedon, flew over Maldon and crossed over Mersea. It was a very fun experience, I got handed the control for longer than I was supposed to because the pilot thought I was extremely focused and so I was also allowed to help land the plane. Eden

That sounds a fantastic and exciting experience – well done Eden for remaining focused throughout. Piloting a plane at 10 years old is very impressive!

Well done to Rhys in Year 3 for demonstrating CARE values in supporting Little Havens. Please help support Rhys if you can.

RAFFLE AND CAKE SALE

Rhys is raising money for little havens in memory of his best friend Ellis who sadly passed away last year.

Little havens helped Ellis whilst he was suffering with neuroblastoma cancer.

They have also been there for Rhys since Ellis passed away with their care and support and Rhys would like to give something back.

The raffle and cake sale will take place on
Monday 6th May

A Parent's Guide to Safety and Privacy Settings

scan the QR code with your phone's camera for Parent Guides on how to help keep your children safe online

When you give a child access to the Internet, you give them access to the adult world.

The Internet treats everyone as adults and there are many things, they are not yet ready to know, which is why it is vital that some form of safety settings are in place. Doing something is better than doing nothing.

What happens online has an effect to what happens offline and what happens offline has an effect to what happens online.

Online safety is when young people know who they can tell if they feel upset by something that has happened online.

Parents please contact your school to enquire attending their next e-safety workshop or have any concerns.

Working with Home Office 'PREVENT', The Police and Crime Commissioner and Children's Safeguarding Partnerships to help keep children safe online.
