NEWSLETTER

12th July 2024

Dear Parents and Carers,

The opportunities for our children to shine brightly in so many different areas of the curriculum has been really evident this week.

The year six Enterprise Fayre has brought new excitement to the school, as the children became entrepreneurs! The skills they have all demonstrated are: amazing customer service, communications skills, problem solving, creativity and brilliant team work. All are so important to life! Huge thank you to Mrs Smith and Miss Coughlan who have worked so hard to make it such a fun and successful time for the children. I would also like to thank the families at home who have supported this fayre either through sending your children in with money to spend, but also the year six families who have helped A LOT with the preparation and in supporting the groups.

Have a lovely weekend, if you are wanting a 'slow-start' on Monday morning due to post-Euro late-nights you **must** complete this form.

Spotlight on Year 5 Mexico Day

Year 5 Mexico Day

Year 5 had a fantastic day on Thursday 4th July celebrating their topic of Mexico and the Maya. In the morning, we had a visit from a company called Mexicolore, which was run by what one of the children described as "the most energetic old man on the planet!". Ian showed us many artefacts or copies of artefacts of items used by the Maya.

He had the children chanting, drumming, playing death whistles, ocarinas, dressing up and dancing! It was a wonderful morning of exciting experiences.

In the afternoon, the children learnt about the popular Mexican festival called 'Dia le los Muertos' (Day of the Dead). They learnt some Spanish and decorated skulls to celebrate the dead.

Spotlight on Year 3 visiting author, Chrissie Sains.

On Monday the author Chrissie Sains came and spent the day with us in year three. The children took part in several workshops including 'creating your own villain'.

The children have been inspired to write their own stories and are now writing a section from 'An alien tin the jam factory' to share with Chrissie. She is excited to read them!

Mollie attended the Dance World Cup last week in Prague, performing in six dances over six days including Tap, Two Ballet dances, Commercial, Jazz and lyrical. This year Mollie moved from mini's in to the Children's section which was from age 9-13 they danced amongst so much talent, they came 5th in the World in their American tap and 6th in the World for their Commercial dance. Mollie enjoyed exploring Prague and made the best memories with her dance friends! Such a great experience and opportunity!

How wonderful Mollie. Well done!

We received this lovely message from Max's Mum: Just thought I would share that Max's team had their home tournament at Heybridge Swifts on Sunday. They played through the torrential rain and thunder and came top of the teams and won. This was their first tournament win and they were so happy. It was so lovely to see their hard work paying off and watch them together cheering.

Well done Max!

We received this lovely photo of Imogen in Oak class from her family as she received not 1, but 2 gymnastics awards this term!

Her family tell us she has worked really hard and are so very proud of her achievements.

Well done and keep up the hard work Imogen!

THANK YOU FOR YOUR CONTINUED SUPPORT.

Starting 22nd July Witham Summer Geocache Challenge

100 Geocaches have been hidden in Witham; using the website, navigate, find and validate any number of geocaches.

There is even a score board to see how you are competing with others.

Everyone is welcome to take part, it's not just for Scouts or young people. This is a **FREE** activity

www.geoscout.uk

* No personal details are captured using our website, Geocaches will be removed week 9th September 24

Dear Parents & Young People,

Grab your smart phone and get Geocaching over the summer holidays with our geocache challenge. Geocaching is a great way to enjoy the outdoors exploring new areas and maintaining fitness.

We have hidden 100 codes around Witham, get out there and start searching for the hidden caches. These are blue, and red coloured cable ties that could be fixed to street furniture, trees, fences, sign posts just about anywhere. Using your smart phone and our website www.geoscout.uk to find the geocache, enter the five-digit code from the cable tie and see where you are on the score leader board. The Geocaches have been placed to make them reasonably easy to locate.

Open to anyone, regardless of age or if they are a member of Scouts and free to take part.

The background behind Geocaching is to locate using GPS small hidden items in the urban or rural environment hidden by a Geocacher. We have simplified this for this summer activity to ensure it's available to all. The only equipment requirement to take part is the use of a smart phone or tablet with 4G data connection. There is no sign up or log in required and no personal information is supplied from you to the organisers. We are Beaver and Explorer Scout leaders based in Witham and wanted something extra for the young people of Witham to do over the summer holidays, this GeoScout.uk has been solely created by us for use in Witham over this summer holiday.

Please visit our website geoscout.uk for further details

PICNIC IN THE PARK 2024

**FREE
FUN ACTIVITY
DAYS FOR
AGES 5 TO 11!**

Picnic in the Park is back for 2024! FREE activity days for 5- to 11-year-olds, running every day from Monday 29 July to Friday 2 August. Families can enjoy the first week of the summer holidays with our friendly team at Melbourne Park, Chelmsford: play, create, and take part in fun sports, games, arts, and crafts!

It's like our Play in the Park sessions, but with a real festival feel and amazing activities.

We've got **face painters and glitter tattoos artists**, a **scooter and skateboarding workshop**, a **smoothie bike workshop**, **magic shows**, a **balloon modelling experience**, and **inflatable bouncy castles**.

New for this year is a **nerf battle arena** and to really **get that adrenaline pumping**, a **7-metre climbing wall!**

We'll have food trucks and an ice cream van on site all day, so you can stay for lunch or bring your own, and really **Picnic in the Park!**

Sessions are suitable for all, including those with additional needs.

- **Tickets are available on a first come first served basis, so don't miss out!**
- **We have a limited number of FREE lunches available for children who are eligible for pupil premium.** There's a range of hot and cold meals including pasta pot, hotdogs, pizza, and snacks.
