

SPOTLIGHT ON:

PE

Isla W, Isla M, Isabella R, Eleanor E, Delilah P, Florence C, Lollie-Lou A and Aliyah V.

I wanted to share some exciting news about the girls' football tournament that eight girls from Year 5 and 6 took part in just before the half-term break.

On the day of the tournament, our girls played three matches. In their first match against Silver End, they started strong but, despite their hard work, the final score was 4-0 against us.

The next match was against St. Andrew's from Halstead. Our girls put on tabards since our kits were similar, and they showed great determination, finishing the match with an impressive 4-0 victory!

For the final match, they played against Great Bardfield. The girls were really keen to keep up the momentum from their previous game, and they certainly did! It was an exciting match, and they came very close, ending with a score of 4-3 to Great Bardfield.

All in all, we had a fantastic morning, and I was so proud of how well the girls played, demonstrating both skill and teamwork.

A heartfelt thank you to all their supporters who cheered them on; your enthusiasm was truly appreciated.

Additionally, a big thank you must go to the Year 5 boys who graciously gave up their lunchtimes to help the girls train before the tournament.

Mrs Spilling
