

READING

Through high-quality teaching at St. Andrew's, it is our intention to nurture well-read, enthusiastic, insightful and knowledgeable readers. It is essential that our approach to teaching phonics and reading is accessible to all learners, regardless of background. We aim to instil a love of reading in our pupils through our literacy-rich environment, high quality texts and many opportunities to read in English and Reading lessons.

It is our intention that by the time the children leave St Andrew's, they are able to read fluently and with confidence and can recommend books to their peers, have a thirst for reading a range of genres, including poetry, and participate in discussions about books.

Please see our learning journey through books at St. Andrew's. This has been designed to be diverse, inspiring and enjoyable.
