

SPOTLIGHT ON!

Year 3

The Year 3 children shone in their nativity performance on Wednesday morning. The children arrived to school raring to go after working hard in their rehearsals to learn lines, places and songs.

They were incredibly excited to welcome so many parents and family members who enthusiastically applauded throughout the show. Thank you for all your encouragement to our budding performers!

The children did an incredible job and really did 'raise the rafters' at St Andrews at Christmas time.
