COMPUTING: ONLINE SAFETY - OVERVIEW

Our Online Safety resources are taken from ChildNet, UK Internet Safety Centre and the Child Exploitation and Online Protection websites. These resources are modified and updated each year to keep up-to-date with current online safety recommendations. Online Safety is also covered in PSHE lesson across the year.

Year	Autumn	Spring	Summer
3	Keeping children safe online	Who can I talk to about online safety?	How has technology changed through time?
4	Be kind online	Technology milestones - birth to age 9 and beyond.	How does the internet influence us?
5	Is everything online trustworthy?	What online issues matter to you?	Acceptance and persuasion online
6	Staying connected safely	Technological advances and how online content can influence people's emotions, ideas and behaviour	How to respond to online safety concerns.
