

The children enjoy immersive learning through enrichment experiences - Egyptian Day in Year 3 Roman Day in Year 4 and Viking Day in Year 5.

Book looks, monitoring and learning walks are carried out by the Subject Lead and feedback given. Class teachers assess progress.

Children are taught through topics so they are fully immersed in their learning - our History knowledge is shown through Art, DT, Drama, Writing, Reading and all subjects!

Year 4 study the Romans and Anglo-Saxons. How did they impact Britain and our local area?

WHAT DOES HISTORY LOOK LIKE?

A St Andrew's Historian:	
	Uses chronology to understand the past
	Identifies cause and consequence
	Analyses the significant past events
	Interprets sources as evidence
	Explains continuity a change
	Compares, recognises similarities and differences.

Year 3 learn all about Ancient Egyptians and the Stone Age and visit Chelmsford Museum for an interactive study day!

A St Andrew's Historian studies:	
	Community and Culture
	Economy
	Exploration
	Society
	Conflict and Peace

Children handle artefacts and experience what it was like during the time periods we study by practically trying things out!

Year 6 link their learning to Democracy and find out what the Ancient Greeks taught the world. They also relish learning all about World War One and its impact.

The History Subject Lead completes an annual action plan which is reviewed and shared with governors.

In English, we use different writing genres to explore our History topic and present our knowledge in different ways.

We progressively use our mathematical understanding to help with chronology, using accurate scaling to show the passing of time.
