Dear Parents,

RE: Mobile phones in school

I understand that in Year Six children's independence is developing and that many parents feel happiest with their child walking home alone with a mobile phone with them. Saying this, please do not feel that there is an expectation or pressure from us for your child to have a phone (life can definitely be simpler without in our experience!).

Should you wish for your child to bring their phone to school for safety walking home then you will need to discuss the rules with them and agree to our phone agreement.

This agreement is supportive and safeguards the children, the phones and their use within the school grounds.

The agreement will outline the rules that will ensure:

1. Mobile phones are kept safe during the day
2. Parents have given permission for their child to bring their phone to school (no one is sneaking them out!)
3. All phones are used in accordance of our rules.

The year six staff will have shared the rules and expectations with the children in class.

Yours sincerely

B Black

HPSAJS MOBILE PHONE AGREEMENT

1. Children will only be able to bring their phone to school IF their parent has completed the Mobile Phone Agreement form.
2. All mobile phones must be switched off **before** children enter the school grounds and NOT switched on again until they have **left** school grounds.
3. Mobile phones must be placed in their 'class' box (kept on the class teacher's desk- and then kept in the school office during the day) on entry to school each morning, the children must tick their name on the register (so we have a record of phones in school that day).
4. Mobile phones are not covered by HPSAJS school insurance.
5. Should these rules not be adhered to the permission to bring their phone to school will be revoked.

Please complete this form if you would like your child to bring their phone into school.
