Music		Reggae
Computing	E-Safety	3D Modelling (Taught during PPA)
PSHE	Families and Relationships (Taught during PPA)	Economic Well Being
Art	Painting: Artist Study	
DT		Structures: Playgrounds
French		'The Weekend'

Homework

We are continuing to send home the *CGP* books. This homework is important for consolidating and applying the in-class learning. Please ensure and support your child in completing this independently. These books are also a useful revision tool to be used over the Easter holidays for SATs revision.

Before the Easter holidays, we will loan out an extra revision book called: *SATs like a Ninja*. The book has been written by a Year 6 teacher and it includes lots of useful tips and tricks as well as example questions which the children last year found very helpful. We ask that these books are returned to school after the SATs so that they can be used in the following years.

Visit

This term the Year 6s will be going on the much anticipated trip to the Warner Bros. Studios Harry Potter Tour. This is a fabulous trip and we really look forward to every child experiencing the magic! Exact details will be shared soon.

We would like to thank you once again for all your support - it really is appreciated. Together we can make this a memorable and productive final year at Primary school.

Best Wishes

Mrs Smith and Miss Coughlan
