NEWSLETTER

12th June 2026

Dear Parents and Carers,

A week where the weather has most definitely kept us on our toes. Sports day on Wednesday was a great success and we managed to avoid the rain! Huge thanks to Mrs Spilling for her brilliant organising yet again!

The children in Year Four were less lucky with the weather on their trip yesterday to Maldon! Lots of soggy socks when they returned, but lots of big smiles and happy children too! We were very grateful to Trevor (from the coach company) for doing multiple trips around Maldon to reduce the amount of time outside!

Wishing you all a lovely weekend.

Mrs Black and the St Andrew's team.

The news that is on
lots of minds is the
house that won
sports day....
This year it was
VINEHURST!

SPOTLIGHT ON:

St. Andrew's Sports Day

Well, weren't we lucky with the weather on Wednesday? It was fantastic that all the children were able to be outside for another St Andrew's Sports Day. It was a joy to see so many smiling faces, hear the cheering and witness such excellent sportsmanship throughout the morning.

Once again, football darts was a real hit with the children, and this year's added bonus was the inflatable obstacle race, which brought plenty of excitement and laughter. The children also enjoyed the more traditional events, including egg-and-spoon and relay races, and they threw themselves into every activity with great enthusiasm.

Thank you to all the parents who came along to support and watch. Your encouragement made the morning even more special.

SPOTLIGHT ON:

Year 5 Basketball

On Tuesday, some members of Year 5 went to Great Baddow High School to take part in a basketball competition.

Although the children had only had basketball lessons at school and a couple of extra sessions on the MUGA at lunchtimes, they approached the event with real enthusiasm and determination.

Twelve schools took part, and it was clear that some teams had more experience than us, but that did not deter any member of our team. The girls played the first half of each match and the boys played the second, and the children worked incredibly well together. They played two super games against Cathedral Primary School and Writtle Junior School.

At the end of these matches, they were placed into another competition. This time they played Westlands Primary School and Our Lady Immaculate, and every match was extremely exciting. Miss O'Connor and I suddenly became "expert basketball coaches" and were shouting out advice from the sidelines!

We were both so incredibly proud of how well the team supported one another, and even more proud when they came a very respectable joint 5th. Well done to Cameron, David, Tanmay, Theo, Rafferty, Henry, Hazel, Marie, Leah, Penelope, Amelia-Rae and Grace.

Congratulations to the children below who have made it onto the TTRS leader board for this week!

THE BIG FUTURE

**The Children's Commissioner,
Dame Rachel de Souza, has
launched The Big Future survey.**

It's your chance to have your say on what it's like to be a child or young person in England today - what you love, what worries you, how you have fun, and the changes you want for a better future.

There are questions about voting, school, your area, online safety, and space for you to tell her what you think is important!

**It takes less than 10 minutes to
complete the survey.**

Asthma Newsletter

Summer 2026

Did you know there is an increase in asthma attacks in the week following back to school?

Want to know how to prevent this?

Follow the Children's Community Asthma Nurses top tips:

- Take your **Preventer** inhaler every day.
- Always use a **spacer** unless you have a dry powder inhaler.
- Know what **triggers** your asthma.
- Book an **asthma review** with your GP practice during the summer holiday.

What does a "preventer" inhaler do?

1. It reduces the swelling and inflammation within the airway in the lungs.
2. This makes the airways less sensitive to asthma triggers.
3. Using it every day as prescribed, will mean you need to take your rescue (blue) inhaler less.

What are asthma triggers?

Triggers are things that make asthma worse when exposed to them. For example, colds, pollen or air pollution.

What is good asthma control?

1. No symptoms during the day.
2. No symptoms waking them at night.
3. Able to complete all normal activities including PE.
4. Little/ no need for the rescue (blue) inhaler.

If you are worried that your child's asthma is not controlled despite preventer treatment, why not visit your GP to discuss referral to the Children's Community Asthma Service.
